Youssef BEN KHALLOUF

Technical Lead java/DevOps aws chez Société Générale
Paris, Île-de-France, France

Résumé

As an accomplished Java Technical Lead with a proven track record, I have successfully led teams in implementing robust solutions. Over the past few years, I transitioned into the dynamic realm of AWS DevOps, where my focus has been assisting organizations in efficiently managing their cloud infrastructure using AWS technologies.

Passionate about staying at the forefront of industry trends, I am excited about the continuous learning journey in the ever-evolving field of DevOps and implementing its best practices.
